الفروق النفسية بين صفات النفس الطيبة والخبيثة

الإمام ابن القيم الجوزية

kings. This person will be very careful of his actions, and will avoid anything that can stain his clothes. If he sees even a tiny spot on his clothes, he will hasten to remove it. This behaviour may look like arrogance, or over reaction, but it is actually protection. It is a praiseworthy action.

This outer guarding reflects the inner guarding as well. The person who is a صان، protects his heart and religion from anything which can spoil them. He avoids any sin which will stain his heart.

This may look like he is arrogant, because he is avoiding some people and actions whom he deems as hazardous to the purity of his heart and deen, but actually he is guarding himself.

The one who is arrogant، متكبر، don't associate with certain people and actions because he thinks they are lowly, not up to his standard. So he humiliates them in his eyes, even if he doesn't say anything, and he rejects the truth.

Guarding and Arrogance

Arrogance or التكبر is when a person sees himself as higher and better than others. الصيانت، on the other hand, is understood by the example of a person wearing expensive white clothes, waiting for a very important meeting with

الصان نفسه الرجل الذي ليس ثوبا ابيض ذا ثمن يدخل به على الملوك فهو يصونه عن الواسخ والغبار والآثار. فتراه يتغىز من المواقع التي يخشى منها التلوث فإن أصابه شيء أسرع إلى تنظيفه. كذلك الصان لدينه يتتجنب طبع آثار الذنوب على قلبه فتراه يهرب من مظان التلوث والفواحش ويتحرس من الخلق لئلا يصيبه. بخلاف المتكبر الذي تحرزه وتجنبه من الخلق لعلوه وتكبره عليهم.
